

Dear NOAA in the Caribbean partners,

We are pleased to provide final details for our upcoming Partners Meeting.

NOAA in the Caribbean 2016 Partners Meeting

Date: May 9-11

Location: San Juan, Puerto Rico

Venue: Interamerican University of Puerto Rico School of Law

If you plan to attend, please [RSVP here](#).

This year's meeting focus is:

Enhancing Community and Ecosystem Resiliency in the Caribbean.

Through training courses, breakout discussions, and a poster session, we will:

- Discuss efforts toward implementation of the NOAA Caribbean Strategy; and
- Identify new priority opportunities for collaboration related to:
 - Improved Conservation/Management of Ocean/Coastal Ecosystems and Resources
 - Enhanced Multi-hazard Monitoring, Forecasting, and Risk Management
